

### Reagent Rotation Log (Template)

Date	Station	Reagent	Lot	Action (rotate/refresh)	Operator	Notes
------	---------	---------	-----	-------------------------	----------	-------

**Alcohol 70%/80%/95%/100% (1) (2)**

**Clearant Xylene (1) (2) or Substitute (1) (2)**

**Paraffin (1) (2) (3)**

**Checklist:** replace when exhausted; record temp; verify no water carryover (100% alcohols) and no cloudiness in clearant.
